Tallaght University Hospital Disclosure Log (Non Personal Requests) Year: 2025

Reference Number	Requester Category	Request details	FOI Decision
RSP\01HTV25	Individual	- hospital policies regarding the following ; treatment of women, treatment of lone parents, interpretation of children first legislation and obligations regarding such, evidence if staff training regarding data protection and privacy in real-time on hospital wards, a statist profile of complaint made to Tallaght hospital over the past 5 years with graphs relating to percentage of complaints relating to staff behavior. Any other material relating to complaint made to Tallaght hospital and the outcome of HIQA reviews. - the number of referrals made to Tulsa per year by medical staff in Tallaght. Also I require information regarding what communication does Tallaght have regarding those referrals being rebuffed and considered not to have a basis for	Part Granted

		investigation. What does Tallaght do to ensure that information inputted into the system making fairly serious claims that could prompts exponential amounts of staff in the future reading files to develop biased attitudes towards mothers is done to correct this when it is proven to have no basis.	
RSP\01HZB25	Individual	• What number of Healthcare Workers reported an incidence of exposure to blood and body fluids (BBF) in theatre during a total hip or knee replacement, by year since 2021? • The average cost to treat a Healthcare Worker with a reported incidence of exposure to blood and body fluids (BBF). • Please provide details of the number of working days lost due to musculoskeletal disorder injuries by members of staff working in theatres, by year since 2021. What is the cost of losing these workdays, by year since 2021? • 4. What is the cost per tonne to dispose of clinical waste?	Part Granted

		• 5. How many tonnes of clinical waste did the Trust send to incineration, by year since 2021? • 6. Could you please provide data on reported instances where a polyp sample was taken during an endoscopy procedure but was not successfully transferred to the sample collection container? If possible, please include the number of such instances per year since 2021. • 7. Could you please provide information on the average cost to readmit a patient following an instance where a polyp was taken during an endoscopy procedure but was not successfully transferred to the sample collection container ('lost polyp ')?	
RSP\01HZK25	Individual	• (1) I also request information or statistics relating to hospital policy regarding asking parents where their children are should they attend the hospital. • (2) Documentary proof that the hospital has this policy in action, what information was disseminated to staff regarding this policy, also proof of it included in every documentation system and medical questionnaires contained	Part Granted

		within the electronic data entry systems and also proof of it being present in every file for every parent that has attended.	
RSP\01J5125	Individual	• How much does it cost to treat a person under psychiatric care as an in-patient in a single calendar year? • 2) If ECT is administered, how many times was it administered per year over the last 10 years? Please provide the number of treatments/sessions for each year.	Transferred
RSP\01J7W25	Journalist	•) I wish to request records which indicate the number of data breaches reported by your organisation (per hospital/site (whichever is easiest and available)) to the data protection commission in 2024. • b) I also wish to request the number of internal data breaches recorded by your organisation in 2024. Where these records are not held centrally, please indicate if there is an obligation on staff to report such to the DPO. • c) I further wish to request the number of disciplinary actions / formal warnings issued to staff as a result of data breaches in 2024.	Refused
RSP\01J7X25	Journalist	• a) Records detailing the number of staff members assigned to data protection within your organisation. (If it is simpler to provide the numbers based on region / hospital / site, I am	Part granted

		happy to accept such and happy to work with you to refine the scope). • b) Where third parties are regularly contracted with data protection tasks, please indicate the third party concerned and the data protection topics they cover/if they work on a project basis and /or if they completely cover the data protection office role for your hospital /area). • c) Where data protection related tasks such as the processing of subject access requests under the DPA/GDPR are handled by other offices/units/decentralized, please indicate such in your answer. Or if preferable, I can request that in a separate FOI. • d) Records which indicate how your organisation assesses that such staffing is adequate to fulfil that function/resource the DPO as required under section 38(2) GDPR.	
RSP\01J7Z25	Journalist	• a) I request access to records that indicate the number of staff members and their grades that currently process access requests under data protection and foi legislation in your hospital /region (broken down by hospital if available). • b) I request access to the total number of access requests (under the	Part granted

		• DPA/GDPR/FOI) processed by your organisation in 2024 (broken down by hospital and FOI v. data protection where available (if not available please clearly indicate such)). • c) I request the total number of Section 41(b) requests from An Garda Siochana that were fulfilled and the number of those denied (if any) in 2024 (again broken down by hospital where available, otherwise via region will suffice but please state that the records do not exist for each hospital/site).	
RSP\01J8025	Journalist	• I wish to request the policies / procedures / SOPs / training materials that staff are provided with in order to process FOI and data protection requests. Obviously any confidential internal info should be removed - I am interested in records that indicate staff receive instruction in order to compliantly process such requests.	Refused
RSP\01JC325	Individual	• A copy of your Article 30 record of processing activities. • Article 30 of the GDPR places an obligation on controllers and processors to have in place within their organisations a detailed record which accurately identifies the activities the organisation carries out which use personal data. • Where such is not complete or in progress, I request records which indicate the progress of such and (records which demonstrate/confirm/)	Refused

		confirmation that such has been included on an appropriate risk register for your organisation.	
RSP\01JCC25	Individual	• Datasets from transport surveys that your hospital has done as part of the National Transport Authority's Smarter Travel Campus initiative • 2. Any other data you have on transport use by staff, patients and visitors • 3. The number of car parking spaces you have at your hospital and any costs you incur for the purchase/lease/rental/maintenance of car parking.	Withdrawn
