The National Centre for Arts and Health (NCAH), exists to improve patient care and to promote the benefits of the arts in health. Situated in Tallaght Hospital, the centre aims to improve the hospital experience for patients, to explore the therapeutic potential of the arts, to build positive links with the local community and to make the arts accessible to patients who cannot access traditional arts venues. For more information on the arts programme contact Hilary Moss, National Centre for Arts and Health, Tallaght Hospital Tel: 01 414 2076 / Email: hilary.moss@amch.ie
